

Has your spouse's coverage changed? Here's what you should do next.

Your Next Steps if Your Spouse Loses Other Coverage

☐ Add your spouse to your current coverage within 31 days.

Make updates by notifying the **mytree** Support Center at **855-245-7994** or visiting dollartree.com/mytree. You will need to provide a loss-of-coverage letter.

☐ Contact Included Health for help.

The Included Health care team can answer your questions about your coverage and benefits options. Activate your account at includedhealth.com/dollartree, download the Included Health App, or call **855-633-9252**.

Your Next Steps if Your Spouse Gains Other Coverage

☐ Drop your spouse from your current medical coverage within 31 days.

Make updates by notifying the **mytree** Support Center at **855-245-7994** or visiting dollartree.com/mytree.

Please note supporting documentation will be required to substantiate this change in coverage.

☐ Contact Included Health for help.

The Included Health care team can explain how your spouse's change will affect your benefits. Activate your account at includedhealth.com/dollartree, download the Included Health App, or call **855-633-9252**.
